Careers

The Samueli Institute is a mission-based non-profit organization. We live our mission within the Institute by being committed to the overall well-being of our employees. At the Samueli Institute, we strive to balance successful careers with fulfillment in our personal lives. As an employee here, you will be challenged and encouraged in your professional growth, enjoy a pleasant working environment and be rewarded with competitive compensation and benefits. You will have access to programs to chart your career path and develop leadership skills. We have positions ranging from scientists and experienced professionals to entry level research and administrative staff positions. With the help of our employees, we look forward to continuing to grow and prosper as we find new and better ways to achieve our mission.
