Others

Purpose & Focus

To discuss how human's complex brains, unique imaginations, communicative abilities, reasoning powers, moral sense and spiritual and religious promptings give rise to the practice of unselfish love for neighbors and those who are now previously known.

Audience

Scholars of diverse disciplines, clergy and religious leader, activists, philosophers, basic and clinical scientists.

Outcome

The 7 papers presented at the conference were published in a Samueli Institute Proceedings in September 2003.
